

The Balloon Popper

By: National Geographic Kids (Adapted by Have Fun Teaching)

Balloons don't last very long around Spunky the Jack Russell terrier. Her favorite game is popping as many balloons as she can!

This amazing dog can pop 100 balloons in 53.7 seconds, the fastest time a dog has popped that many. Usually the dog bites the balloons in the air, but the record was set with the balloons tied to the ground.

The noise might scare other dogs, but that just makes the game more fun for Spunky. She likes balloons so much that she goes nuts when a blimp flies over her backyard!
