

## Bee Sting

Story By: Andrew Frinkle

Tammy was walking her dog, Fuzzy.  
Suddenly, she heard something buzzy.  
There was a pain in her arm!  
She cried out, and her dog yelped.  
Being stung by bees, she felt so alarmed.

Ricky was running barefoot.  
He ran across the clover, grass, and weeds.  
He laughed and danced and would not stay put.  
But then, he stepped on a bee.  
He screamed and cried and hopped on one foot!

Tara was singing a song in the garden.  
She was picking pretty flowers.  
Then she heard a terrible hum.  
She took off at a full run.  
But, the bees still stung her on the bum!

Cookies was a good dog.  
He was nice and never a pest.  
He loved to play in the yard as much as he pleased.  
He went a bit far and found a funny nest.  
Well, you know the rest: he got stung by bees!
