

Spider Web

Story By: Andrew Frinkle

Jerry saw a web next to the fence.

There was **one** spider on the web. The spider had **eight** legs.

There were **two** flies on the web.

There were **four** ladybugs on the web. Each ladybug had **six** legs.

There were **three** leaves on the web. Each leaf had **five** points.

Jerry counted all the things on the web.

There were **seven** critters on the web.

The spider caught **nine** things!

With the spider, there were **ten** total things on the web!

Spider Web
