Wisdom

Story by Andrew Frinkle

Wisdom is applying what you know to your daily life. Wisdom helps you make good decisions. There are many ways to be wise.

Pete knew that he didn't know everything. He liked to get advice from his grandpa, especially when he was having a hard time getting along with people. Even then, he had to take that advice and make good choices. Part of being wise is learning when to listen and when to act.

Naomi had a big project to get done. She also wanted to play with her friends. She had to plan her time wisely, or she couldn't do both. She knew that too much playing would mean she'd get a bad grade. She managed her time wisely, so she could get a good grade and still play. Naomi was being wise.
