Work Ethic

Story by Andrew Frinkle

Work Ethic is always pitching in to help. Work Ethic is getting things done, trying hard, and not being lazy. There are many ways to show a good work ethic.

Archer was a hard worker. He always tried to get his work done before he got home. He always got his assignments done on time, too. He also liked doing his part to keep the classroom clean. Archer was great with a broom! He was the leader of the classroom cleaning crew.

Rhonda was very organized. She was very helpful, too. It only made sense then when Mrs. Francis made her the classroom librarian. She was great at putting all the books back just right and keeping them in the right categories. Rhonda had a great work ethic.
