April Fool's Day

Story by Andrew Frinkle

April Fool's Day is always April 1st. It is a silly holiday. It's not a national holiday, but it is a fun one. In fact, other countries also celebrate it!

On April Fool's Day, you're supposed to trick people. You're trying to fool them. You want them to believe a silly story or joke. Some people take it a bit too far though! It should be fun, but it shouldn't make too much trouble.

On April Fool's Day in Italy, people try to put a fish picture on your back without you noticing. That's a silly prank, isn't it? What would you like to do for April Fool's Day?
