Easter (Religious)

Story by Mark Luchauer & Katrina Quigley

Easter is a holiday in March or April. Easter celebrates how Jesus Christ died on the cross for our sins and came back to life three days later.

After Jesus died, they put his body in a tomb. All of Jesus' friends were sad. They thought they would never see him again. Three days later, an angel opened the tomb and it was empty. Jesus was alive again!

Jesus stayed on the Earth for 40 days before going to Heaven. He showed many people that he was alive. He also spent time teaching his friends, so they could tell the world about the Good News.
