Father's Day

Story by Andrew Frinkle

Father's Day is the 3rd Sunday in June. It is a day to celebrate fathers and all that they do for us. Today, over 50 countries celebrate Father's Day, but they might have a different date for it.

It is important to look at what fathers bring to their families. Every father is different. Does he teach you how to play games? Does he help with your homework? Does he read you bedtime stories? Thank him for all he does!

Father's Day isn't just for fathers, either. It's also for grandfathers and great-grandfathers! Your parents probably even call their fathers, which are your grandfathers!
