EAR Sounds

Timmy's Letter

Story by Andrew Frinkle

Timmy wrote his grandma once a year.
He wrote to his dear grandma about:
the time he saw a deer,
the bad storm that came so near,
and the time he hurt his ear.

He told grandma about:
all the songs he liked to hear,
how he fixed his bike's third gear,
and the time he went to the pier.

Then he signed it, feeling so sincere!
